

Air Force Beach Campground Booking Changes

Hello Air Force Beach Campers and Cabin Bookers,

We have made changes to the booking windows and removed the appointment draw to streamline bookings and improve your access to the park. This means reservations can now be made all year long within in your booking window.

Category	Authorized User	Booking Window
Regular	Active 19 Wing Military	180 days
Regular	Active Military other bases & Veterans	120 days
Ordinary	DND, CFMRC, NPF, RCMP	90 days
Associate	All other persons not listed above	30 days

There are still maximum stay rules to allow more people to enjoy the facilities:

Regular and Ordinary Members - Maximum 90 days during summer season (March through October) with 30 days cumulative maximum during July and August.

Associate Members - Maximum 30 days during the summer season (March through October)

These are the maximum stays for the campsites.

Cabins stays, still remains at 2 Day Minimum and 2 weeks Maximum.

Premium Sites

There will be premium sites again this year but the rules will be slightly different.

1. From the Canada Day long weekend through Labor Day Monday, they will be available **only** to active 19 Wing Military. For the remainder of the summer season, they are available to anyone during their booking window.
2. There is a 2-week maximum booking length for anyone booking a premium site.

Any questions on the changes or to make your reservation please reach out via email (teepeepark@teepeepark.ca) or by phone 250-339-5271.

We all look forward to seeing you next summer.
