

Pretty in Pink Peach Smoothie

Ingredients

For the smoothie:

- 1 heaping cup frozen peach slices
- 1 cup frozen raspberries or strawberries
- 1-2 strawberries, *sliced or roughly chopped*
- ½ cup vanilla Greek yogurt
- 1 cup unsweetened milk of choice
- 1 tsp pure vanilla extract

To garnish:

- Granola and fresh raspberries/peach slices

Directions

Add all ingredients to a high-powered blender: frozen peaches, frozen raspberries, yogurt, milk and vanilla extract. Feel free to add any optional add-ins to your smoothie if you'd like. Blend until smooth, adding more milk to thin, if necessary. Taste and add honey to sweeten as necessary, then blend again; this is optional but some might prefer a sweeter smoothie. Pour into a glass and enjoy!

Serves 1. Feel free to double the recipe to serve 2.
