

“Due to national policy regarding recreation clubs. All members or all clubs must be registered in the national registration database. This means that all registrations for the Shooting Club must be processed by the Front Desk of the Fitness Centre.

What is required for a yearly membership is a CRA CLUB membership (\$6.00 per month) and the \$20.00 Rifle Club fee per year. 01 Apr to 31 Mar.

CRA will collect all monies, I require your CRA Receipt and PAL to create the Edmonton Rifle Shooting Club Card. **YOU** bring or email these two items to myself.

For the waiver, that can be signed when I create your membership.
Use the monthly Credit Card deduction \$6.00 for CRA Membership plus one-time \$20.00 Club Membership. That is cheapest option.

When a member desires to bring a guest to the range, \$5.00 “Drop-in” Fee + PSP Waiver”

Bring the CRA receipt to B192, rm115 I can take your details and create Club Card.

I can create card at the range if I have to. (That is not optimal)
