CANNABIS USE IN PSP MILITARY HOUSING

Effective 17 October 2018 PSP Military Housing Occupants and guests will be able to possess and consume cannabis within the limits of their unit including their front and backyard.

PSP Military Housing units are considered a CAF member's private residence and will be accorded the same rights and conditions that a CAF member would have in the private sector.

Cannabis Act

DAOD 9004-1 Use of Cannabis by CAF Members

Specific Direction

- Occupants and guests will be able to possess and consume cannabis within the limits of their own RHU including front, backyards, and shed located on site.
- Occupants must follow Canadian federal, provincial and local municipal by-laws and/or Base Standing Orders with respect to consuming cannabis in public areas and any restrictions that apply to consuming cannabis in proximity to local schools, school yards and any public child play areas, or other public place frequented by persons under 19 years of age.
- Occupants will be able to grow up to 4 cannabis plants per household for personal consumption.
- Occupants will be financially responsible for any damages related to any consumption and/or growing of cannabis in the RHUs.

- This Directive does not affect the right of PSP Military Housing Occupants who have been authorized to access cannabis for medical purposes.
- PSP Military Housing occupants and their dependents are expected to make responsible choices in respect of their use of cannabis for recreational or medical purposes, apply “good neighbour” considerations and ensure that their consumption of cannabis does not negatively impact their immediate neighbours, neighbourhood and particularly adjoining units.
- Occupant related issues regarding the inappropriate or unauthorized consumption or growing of cannabis will be referred to the Chain of Command.
