

SUMMER PROGRAM

BAHIA DEL MAR, CASARES, SPAIN

Located on the top of a rock, at 500 m from Casares' Bahia Beach, Bahia del Mar is a quiet place in a green setting on the Mediterranean Sea. The garden is like a balcony overlooking the sea with a beautiful unobstructed view that spans from the Estepona Bay to the African coast to the Rock of Gibraltar. The area is among the most fascinating and genuine ones in Andalusia and a great start point to discover the region.

Not very well known yet, the white houses of Casares' village are true gems. Standing on a hill between the mountainous area of Ronda, the Costa del Sol and the Camp of Gibraltar, Casares is one of the most beautiful villages in the province of Malaga and was designated a historical site in 1978.
