SUMMER PROGRAM

APARTAMENTO ERICEIRA PORTUGAL

Apartemento Ericeira is a spacious apartment in a quiet neighborhood where you can enjoy a beautiful view of the sunset from the balcony. Within 15 minutes' walk, you can access four different beaches and a 5-10 minutes' walk will take you to the "Old Town" where you can find many restaurants. Ericeira is the quintessential Portuguese village with its cobblestones streets and tiled buildings. The town is also known for its seafood. Even though the town's name means "sea urchins" in Portuguese, the regional specialty is lobsters which are bred in nurseries along the rocky coast.
