

WINTER PROGRAM

CHALET MARTAGON CHAMONIX VALLEY, FRANCE

Chalet Martagon, located in the Chamonix valley, is on the ground floor of a traditionally built wooden chalet. It is situated in a private garden from where you can start exploring the region, breathe in the alpine air and soak up the breathtaking scenery.

The quaint little alpine town of Chamonix is found in the shadows of Mont Blanc's majestic snowcapped peak. Chamonix has been a world-renowned ski destination ever since the Winter Olympics of 1924. The Chamonix Valley is considered by many to be the best freeride resort in the world. With its 5 ski resorts; Grands Montets, Les Houches, Le Tour/Balme, La Flégère and Le Brévent; Chamonix Mont-Blanc offers the perfect ski holiday. The many different ski areas cater to all levels, from beginners to extreme skiers. For non-skiers, the area also offers many other winter activities including ice skating, dog sledding, tobogganing, snow shoeing... Simply put a winter wonderland for all ages!

You may also choose to discover the delightful, rustic atmosphere of cozy chalet restaurants. Savor delicious meals of authentic Savoy cuisine; hearty country cooking based on potatoes, cheese and charcuterie; and specialties like fondue and raclette. All satisfying meals after a long day on the slopes or hiking in the mountains.
