

Host Language Training for Canadian Armed Forces Military Spouses

Rosetta Stone Catalyst is an interactive, self-paced, language-learning software solution. It is also available on Android and iOS mobile devices.

Rosetta Stone

If you are interested in Host Language Training, contact: MFSE.EmploymentEducationTraining@cfmws.com. You will be provided with a Rosetta Stone license and everything you need to learn your host language in an interactive online environment using your home computer. Note: only one license per family and you will need a headset with microphone.

Language Class Reimbursement

Some communities have established relationships with local language schools or language instructors. We offer reimbursement for a beginner level class. Conditions for reimbursement:

- Pre-registration approval by Community Services Manager
- Only spouses of CAF members and sponsored civilians who are living fulltime at the post are eligible for reimbursements
- Claims must include receipt of payment, proof of at least 80% attendance, must be received by March 1st of the fiscal year in which the class was completed

i **Contact your Community Services Manager**

Other Options

- If your country's host language is not offered through Rosetta Stone and you don't live in a community where MFS Europe has approved classes, please contact your Community Services Manager. They will work with you to find a solution. In all cases, pre-approval is required prior to any reimbursements and the class must be at a beginner level.
- MFS Lending Library: there are a number of language resources available to borrow and try at your own pace. Contact your MFS centre.
- Free apps that you can download on your phone or computer ; *Duolingo, Google Translate, DeepL, etc.*
