

PMFRC Board of Directors Board Recruitment

The PMFRC Board of Directors is seeking new Members

The Petawawa Military Family Resource Centre is inviting applications from Canadian Armed Forces (CAF) family members and community members interested in contributing their leadership, experience and voices to join our Board of Directors. Being a member of the PMFRC Board of Directors is an opportunity for personal and professional growth, while at the same time increasing your engagement in your community. Our Board is a body of elected members who jointly oversee and govern the operations of the organization. We are currently seeking new members to fill the role of **Member-at-Large**.

The role of Member-at-large

We are currently recruiting diverse leaders with experience in the following areas: risk management, public relations, not-for-profit governance, Project Management, Early Childhood Education (RECE), Accounting or Financial Management. Bilingualism (French / English) would be an asset.

What would some of my responsibilities be:

- Consistent attendance at regular board meetings;
- Participation as an active member on special working committees;
- Participation in fundraising and special events
- Preparation for Board meetings by reviewing and studying materials in advance.

I'm really interested, now what...

If you are interested in sharing your expertise with our organization and becoming a voice in our community, you can connect directly with our Volunteer Coordinator Sarah Gunter at VSC@PetawawaMFRC.com or by calling the office at 613-687-2104 ext. 224. If you have specific questions, you can reach the board directly via email at PMFRCBoard@PetawawaMFRC.com.

Additional training and professional development is offered and an important aspect of Board Development.

Please note that all potential board members are required to go through a formal interview process with the Board's Personal Development Committee.
