

March Break Mania Camp Themes

Monday 11 March - Jungle Jamboree

Jump into the jungle with us as we provide an overview of life in the rainforest! This will be an adventure full of silly monkeys and roaring tigers. We will be going on an exploration hunt and learn about this amazing ecosystem.

Tuesday 12 March - Tye Dye Tuesday

The perfect blend of science, art and fun! We will engage our imaginations and be creative using colours and making patterns. Spread good vibes everywhere you go when we create a DIY Words of Kindness t-shirt as one of the many fun activities we will be doing. Do not forget to wear your most colorful clothing!

Wednesday 13 March - Seaside Escape

Join us for a deep-sea adventure as we explore all things under the sea! We will make seahorses, starfish and make seashell themed art. Be ready to get messy when we create an under the sea theme banner, too! Have you ever wondered what is in a seashell? Join us to find out! All campers will also go home with sea slime!

Thursday 14 March - Adventure Junction

Join us as we embark on a fun adventure to the Bowling Alley in Deep River! Bowling is an active sport that allows children to burn some energy, and challenge themselves a little more than usual. The excitement of knocking down pins and the thrill of competition against the other teams, this is a day they will not want to miss.

Friday 13 March - Chillax to the Max

Hop into your favorite comfortable pajamas and slide on your slippers as we chillax to the max. We will be having a bingo picnic, DIY selfie frames and preparing for our PJ fashion show. Board games and a freeze dance party are also on the to-do list! Did we also mention a popcorn treat?!
