Military Family Resource Centres (MFRC) offer programs, services and mental health support for military families facing the three unique challenges of military life.

- **Relocations** - moving and settling into your new community
- **Absences** - support before, during and after an absence
- **Transitions** - moving to civilian life and becoming a veteran family

In Edmonton, we also offer child care services and enhanced programs like youth programming.

Who We Serve

Edmonton MFRC is open to anyone of significance to a military member, including Regular, Reserve, Veteran and medically-released Veteran members, including:

- All types of families - with or without children
- Spouses, girlfriends/boyfriends, partners
- Children and dependants of military members
- Parents, grandparents, siblings

Many programs are also open to the Defence Community and their families, which includes Families of the Fallen, civilian DND staff and MFRC/PSP staff.

Each program will list who is eligible.

About the MFRC

We are a charitable, non-profit organization that is governed by a volunteer Board of Directors. At least 51% of the board members are family of full-time serving Canadian Armed Forces personnel.

We implement the Military and Veteran Family Services Program, which outlines the specific supports offered to military families that are funded by Military Family Services, a division of CFMWS.

Our mission is to support military families as they navigate the unique challenges of military life through programs and services that enhance their strength and resilience.

Deployment Programs

Learn how to prepare, thrive and stay connected throughout the different phases of deployment with programs such as:

- Op Coffee
- Thriving and Surviving
- Stronger Relationships
- Parent/Caregiver Workshops

Before an Absence

Families who prepare can lessen some of the worry should challenges arise. The MFRC team helps families by sharing what resources are available and forecasting potential hurdles.

Fill Out a Family Information Form

The MFRC can do a check-in to see if everyone's on track during an absence. A Family Information Form must be filled out for the MFRC to reach out to family members - either the member or a family member can submit this form.

Readiness Guide

Get the tools you need to be ready for any absence! Our Readiness Guide gets you prepared should your family experience an emergency and you need someone to step in.

Pre-Deployment Road to Mental Readiness (R2MR)

Focus on the potential challenges and emotions which are most experienced on the home front while preparing for your loved one to deploy. Discussions include phases of the deployment, coping strategies, family representative information and more.

During an Absence

Personalized Assistance

While a family member is away, unexpected challenges can arise. Contact us if you need help finding answers or solutions.

Keep in Touch Service

This personalized service begins once we receive confirmation that the member has deployed and can continue at the frequency of your choosing. We must have a completed Family Information Form to receive this service.

Though unit Family Reps usually confirm deployments, the MFRC doesn't always know when a member has deployed. If you haven't heard from us, please connect and let us know.

Sending Morale Mail

Family and friends can send care packages free of charge to those deployed overseas. To receive this service, all packages must be addressed to the Belleville, ON address and taken to the Canada Post outlet located in the Base Mail room. Packages taken to other Canada Post locations will require paid postage to Belleville, ON.

Base Mail Room: 3 CDSG (Building 181) Churchill Ave.

Monday to Friday | 9:30am - 4pm

*Hours may vary. Call 780-973-4011 ext. 4813

After an Absence

Coming back together after an absence can create new challenges as you relearn how to jointly manage schedules and responsibilities.

Post-Deployment R2MR

The anticipation of the member's return is exciting; it can also be nerve-wracking and cause extra stress. This session focuses on the anticipation of the homecoming, renegotiating the relationship, home roles and more.

Post-Reintegration Check-ins

We can do a check-in to see how your family reintegration is going.

The Importance of Family Care Plans

A Family Care Plan supports your family in your absence and makes the unexpected become more manageable.

Keeping your Family Care Plan updated can reduce some of the stress and worry by identifying contacts who are able to step in and help if things go off course, whether you are supporting children or not.

The smallest detail can make an unexpected turn of events more stressful than it needs to be.

Edmonton MFRC's Deployment Readiness Guide helps you think about all the things you may need to know in the event of an emergency and you need someone to step in.

Email deployment@mfrcedmonton.com or call 780-973-4011 ext. 6304 to get your copy.

Child Care

**For programs, see pages 12 - 19*

Daycare

The Edmonton MFRC's full-time licensed daycare provides an inclusive, encouraging environment for children between the ages of 12 months and five years.

Families in Alberta are likely to encounter wait lists while attempting to secure a place for their children. The MFRC maintains an extensive waitlist which can be upwards of three years and is constantly changing. It is recommended that parents add their children on to our waitlist as soon as possible. The MFRC Daycare is also eligible for child care grants and fee subsidies.

For current daycare fees or information about the MFRC Daycare services:

- Call 780-973-4011 ext. 6300
- Email information@mfrcedmonton.com
- Visit our front reception desk

Child Care Support

The MFRC Child Care Navigator role is a new pilot project that provides navigational support to military families who are experiencing child care related challenges.

With knowledge and expertise of child care services in the Edmonton area, our Child Care Navigator can share tools, resources and information with families who are exploring child care options and help connect them to programs and services that will meet their unique family needs.

Child Care Registry

The MFRC Child Care Registry is a valuable tool to assist military families in their search for child care and connect them with local service providers in the Edmonton area.

Are You Looking for Child Care? The MFRC has an up-to-date list of child care providers and resources to assist you in finding private and licensed child care in your community.

Are you a Child Care Provider or Teen Babysitter? Child Care providers or Teen Babysitters can request to be added to one of our registry lists and the MFRC will connect you with families in need of child care or babysitting services.

To learn more about how we can help you navigate child care or to be added to our Child Care or Teen Babysitter Registry lists:

- Call 780-973-4011 ext. 6380
- Email ccnav@mfrcedmonton.com
- Visit us in person

Emergency Family Care Assistance (EFCA)

Does your family need care for a family member in an emergency situation? As part of the Emergency Family Care Assistance (EFCA) Policy, military families may be eligible to access financial assistance to help offset costs associated with the care of a family member.

Military families are encouraged to have a Family Care Plan (FCP), however emergencies can happen that prove too challenging for the FCP to accommodate. The EFCA aims to provide support for short-term emergencies when other lines of support provided by CAF and Director General Compensation and Benefits are insufficient.

If you qualify for support, you will be connected with a local service provider. If you do not qualify, you will be directed to other possible support services.

How to Access

Contact Edmonton MFRC during regular business hours and ask to speak to someone about emergency child care. Our Child Care Navigator will guide you through a series of questions to assess your eligibility for support under the EFCA policy.

On weekends, weeknights or holidays, call the Family Information Line at 1-800-866-4546 and ask to speak to an emergency child care representative.

Reimbursement

Depending on the situation, you may need to cover the cost of services up front then be later reimbursed. Reimbursements will be issued by either Military Family Services or your local MFRC, but not by both. There is no cost to military families for using these services.
