**COMMENDATION**

*Is presented to*

**PSP Toronto**

*The Toronto Personnel Support Program (PSP) Detachment is awarded the Commander 4th Canadian Division Support Group Commendation in recognition of its unwavering commitment to the well-being of Canadian Armed Forces (CAF) personnel. Through the provision of health promotion training, military fitness programs, recreation activities, and fitness testing, PSP Detachment Toronto has significantly contributed to force generation for both domestic and international deployments. Additionally, their management of the garrison's messes and the organization of highly successful events such as Family Day and the Children's Festive Party have fostered a strong sense of community among military families.*

*These initiatives have not only supported the physical and mental health of CAF personnel but have also strengthened the bonds within the military community, enabling mission success. Delivered with empathy, passion and a sense of mission-focus, PSP Detachment Toronto has played a pivotal role in enhancing the operational readiness and well-being of service members at Garrison Toronto*
