

HERO in TRAINING

ACTIVITY BOOK

STARRING
PERI & BOBBI!

Dear Parents,

Relocating your family is a challenging, exciting and busy time.

The Hero in Training Activity Book, for children ages 6-8, is designed to keep your kids occupied as you prepare for the move, travel, and settle into your new home. These activities help them prepare for the move, learn about making new friends, build their confidence, get excited about their new home, and manage their emotions through this life-changing process.

Skills for life!

All your child needs is a pen or pencil and colouring crayons, plus a tablet, smartphone or other connected device to access supplementary online resources.

To understand how these activities build life skills, look at the legend below. Match the relevant life skills icon in the legend to the icon at the top of each activity page.

Join the Fan Club to receive more helpful tools and get the chance to win prizes at <https://cfmws.ca/support-services/moving-housing/relocation-resources-for-children>

Once your child has completed the book, check in with them to see what they've learned. The final pages of the book guide you and your child through this process. When you have relocated, bring this book to your local PSP recreation centre and see what surprises await them from the PSP staff!

Share your thoughts with PSP, so we can continue to adapt and improve this activity book for your children. Fill in our online survey.

Yours truly,
your PSP Team

You are also probably wondering why my name is Bobbi. I am named as a tribute to PSP Manager Roberta (Bobbi) Howard Muir who was known for her leadership skills, her sense of humour and love of sport.

Hi! My name is Peri!

I live in Western Canada, and I too had to move around from time to time. My favourite food is spaghetti. My favourite activity is painting. My favourite book is Stand Like a Cedar by Nicola I. What is a friend?

Peri says, "to have a friend, you must be a friend!"

Draw three ways you can be a good friend.

Peri and Bobbi's sharing starters

With interesting questions, you can spark some great ideas!

Share your thoughts with a friend and listen to their thoughts, too.

What is your **strange talent**?

If you could **spend the day with anyone, famous or not**, who would it be and why?

Would you rather go **camping** or stay in a **fancy hotel**? Why?

What was your **favourite day ever**?

What is **something surprising** that people may not know about you?

If you could be **any animal**, what would you be and why?

Cut these out to make yourself a deck of conversation starters.

More sharing starters!

With interesting questions, you can spark some great ideas!

Share your thoughts with a friend and listen to their thoughts, too.

If you had to eat **one food** every day for a week, what food would you choose?

Is there a time you felt brave?

If you could choose a **new subject** to learn at school, what would it be?

If someone gave you **\$100** and you had to spend it that day, what would you spend it on?

If you could choose any **superpower**, which one would you choose?

What is your **favourite scent**? It could be a food smell, outdoors, a perfume...

Cut these out to make yourself a deck of conversation starters.

MISSION 14

Have fun

Making connections

Decorate your puzzle with a favourite memory from your move.

Then cut out your puzzle and have a friend solve it!

Dots

Dots is a fun game to play with a friend.

Each player takes turns connecting one dot to another dot beside it with a line, either horizontally or vertically. You can only draw one line per turn. Eventually the board fills with lines. Some will be connected and some will not. If on your turn you add a line to form a square, you win that box. Put your initials in the box and take another turn.

The object of the game is to have the most boxes containing your initials.

Match noises

Peri is looking for his forest friends.

Draw a line between each forest animals and the noise they make.
